Sir,

With reference to the accompanying copy of correspondence received from the Commissioner of Coorg, I am directed to express the Offg. BANGALORE.

Sir,

I have the honor to submit for the Chief Commissioner's

Orders the enclosed copy of letter NO.1075/280 of the 25th ultimo, from the District Magistrate of Coorg, on the subject of a demand made by the Compiler of the - Mysore Gazette for publication of a Proclamation issued by the District Magistrate of Coorg relating to a dacoity committed on the frontier of Mysore.

2. It appears to me that in the case of Official Notices, other than those issued at the instances of and in the interest of parties in Civil or quasi Civil Cases, it would be desirable that the practice which formerly prevailed, of admitting such Notices in the Local Gazettes free of cost might be continued if the Government of H. H. the Maharaja of Mysore assents. As the rule should ofcourse be of mutual application I would recommend that similarly all Notices of the same character sent from Mysore should be admitted for publication free of charge in the Coorg District Gazette.

I have the honor to be,

Sir,

Your most obedient servant,

TO

The Commissioner of Coorg.

Sir,

In forwarding the enclosed copy of docket No. 124 dated 11th March 1887 from the Compiler, Mysore Gazette, I have the honor to state that the Proclamation referred to was sent for publication in the Mysore Gazette as it was alleged that most of the stolen property was removed

into Mysore and that the culprits were probably the Khandary Mussulmans of that place. Under such circumstances, I am not aware whether any such charges are to be paid for the publication of the said Proclamation in the Gazette.

2. I have,however,forwarded a sum of Rs. 20/- as requested by the Compiler to meet the chrages of the publication and would be glad if you will be so good as to inform me whether it would not be advisable to move the Mysore Government to insert such Government advertisements in the Gazette in future free of cost.

3. A similar concession might be made in reference to Notification of Mysore Government being published when required in the Gazette of this Province.

(9) From the letters referred to by the Compiler Mysore Gazette copies of which ~~forward~~ furnished by him are put up in the file it is clearly seen that official notifications received from Coorg are published in the Mysore Gazette free of charge ~~by~~ ~~year~~ virtue of a special reciprocal arrangement between the two Governments. By this arrangement the official notifications of each Govt will be published in the Gazette of *other free of charge. This explains the instance referred to by the F. A. Resident of an official notifn being published free of charge.

(10) Such a special arrangement prevails with Coorg alone. Accordingly, it has been the Custom to invariably recover and credit to Govt the charges for publishing notices received *direct from the other Officers of the British Govt. It is in pursuance of this and in the absence of Govt orders to the contrary that the charges have now been claimed. The Compiler, Mysore Gazette quotes two recent instances of similar charges being recovered from the Supdt of Police, Cs M Station etc.
